v.

JANICE HUFFMAN,

Defendant

MEMORANDUM DECISION

This Adversary Proceeding is before the Court upon the Trustee's motion for default judgment. (Doc. 8). The Trustee filed this Adversary Proceeding to recover property of the estate, with a value of \$13,028.72, and to deny the Debtor her discharge pursuant to 11 U.S.C. Section 727(a)(2)(B). The Debtor converted proceeds from a lawsuit subsequent to the date of the petition. The lawsuit had not been scheduled on the original schedules but came to light during the meeting of creditors. The Trustee seeks a money judgment for the amount of the proceeds which were converted by the Debtor. The record reflects that service of process was made on October 6, 2003. No answer has been filed nor has an appearance been made. The Court will enter judgment by default on a separate document.

Done this 4th day of March, 2004.
